Sprint 3 Report
Coursierge
May 23rd, 2018

Actions to Stop Doing:

Wasting time during meetings talking about irrelevant topics.Talking about things that are not relevant to our course works distracts especially during such a crucial time of the scrum process.

Actions to Start Doing:

Committing to meetings time. During this sprint we have had a hard time committing to a time to meet. It has been too inconsistent it impairs our ability to work on projects if we can discuss what we need to do and problems that occur.

Actions to Keep Doing:

Communicating when we are having problems with different part of the project. This allows to help each other complete what we need to complete.

Work Completed:
- As a student, I would like to be able to ask questions to the professor for clarification
- As a professor, I would like to be able to view student's questions and answer them
- As a professor, I would like to be able to ask questions to my students and have them answer

Work Not Completed:
- As a professor, I would like to be able to cast files such as powerpoints to the stream for my student to view.
- Decided to scrap casting all together
- Student's questions ran into a bug so it is partly done

Work Completion Rate:

Total User Stories Completed: 3
Total Work Hours Estimated: 21.5 hours

Total Days Worked: 10
